MENDOCINO RESERVATION.

DEPARTMENT OF THE INTERIOR,
OFFICE OF INDIAN AFFAIRS,

April 16, 1856.

Sir: Referring to the report I had the honor to submit for your consideration on the 10th of November last relative to the establishment of a military reservation for the benefit of the Indians of northern California, upon both sides of the Klamath River, from its mouth the distance of 20 miles up the same; and to the remarks then made upon the subject of establishing a third similar reservation as proposed by the superintendent of Indian affairs in California, at Cape Mendocino, or at some point between that place and Russian River, &c. as appeared to this office at that time more expedient, either in the interior and easterly part of the State, I have now respectfully to call your attention again to the subject, and to submit for your consideration the following documents.

From these documents it appears that the section between the Novo River on the south and Bee-da-loe or Haie Creek on the north, extending from the coast on the west to the Coast Mountains, combines advantages which are not to be found in any of the other locations examined, reference being had to the purposes for which it is required and to the habits and necessities of the Indians.

The tract intended for the reservation lies between the south bank of the Novo River, so as to include that river, and a point 1 mile north of the mouth of the Haie or Bee-da-loe Creek, extending eastward from the coast for quantity so as to include the valleys beyond the first range of hills in the Coast Mountains, conforming to their shape. Its geographical position is in Mendocino County, about 170 miles from San Francisco, and 90 miles south of Cape Mendocino, 70 miles northwest of Clear Lake, and about 160 miles from Sacramento City.

It is proposed to embrace within the limits of the reservation 25,000 acres of land.

If upon an examination of the subject you shall come to a similar conclusion, I have respectfully to request that the proposition may be laid before the President of the United States for his approval, and that the superintendent may be enabled to carry out with him, on his return to his post by the steamer of the 20th instant, such decision as may be made in the premises.

Very respectfully, your obedient servant,

GEORGE W. MANTPENNY,
Commissioner.

Hon. B. McCLELLAND,
Secretary of the Interior.

DEPARTMENT OF THE INTERIOR,
Washington, April 17, 1856.

Sir: I have the honor to submit herewith a report from the Commissioner of Indian Affairs of the 16th instant and accompanying

papers in relation to the establishment of a military reserve of land for Indians in California, authorized by act of Congress of 3d of March, 1855.

The tract of country, containing about 25,000 acres, proposed to be selected is in Mendocino County, and fully described in the papers accompanying the commissioner's report.

Concurring with the commissioner in his views of the matter, I recommend your approval of the proposed reservation.

I am, sir, with great respect, your obedient servant,

R. McCLELLAND, *Secretary.*

The President.

(Insertment on commissioner's report.)

MAY 22, 1856.

Let the proposed reservation within referred to be made as recommended in letter of Secretary of the Interior of April 17, 1856.

P. P. PIERCE.
